10) This Question was further examined by the Managing Committee at their meeting held on 12 11 85. After Considering all aspects of the case they opined that the Mly Realised Considerable amount by the Sale of Vegetables in the area which had not been Cleared by the petitioner, and that of the area that had been left-fallow, the Lessee could have realised some income

11 Accordingly they recommended grant of Relief of Rs 500/- to the petitioner out of the realisation The Mll Council have approved this recommendation at their meeting held on 25 11 85.

The Mll Council has sought Orders of Govt sanctioning the above Relief of Rs 500/-

It may be noted that the Farm Manager had first recommended that a Reduction of Rs 1500/- ie 20% or 1/5th of Rs 7500/- may be given to the tenant but the Mll Council have liberally sanctioned a Reduction of Rs 2500/- ie a difference of one thousand rupees which is exhorbitant.

Further Relief recommended may not be accepted & the Mll Council told

The Municipal Council was no doubt competent to enter into the contract in question under Section 41 (1) and (2) of City Municipalities Act 1933 But, the remission of one year's gutta of Rs 2,500/- out of the lease amount of Rs 7,500/- sanctioned by the Municipal Council in their Resolution No 1160 dated 26-12-1953 as reported by the Commissioner, Mysore City Municipality, in his letter No C2 PR 248-C 602/55-56 dated 29-11-1955 does not appear to be in order for the following reasons Bye-law 3 under Part II--Taxation (Page 58 of the Mysore City Municipality Rules and Bye-laws) sanctioned by Government empowers the Municipal Council to sanction only remissions of taxes and license fees under Section 49 (h) of the City Municipalities Act The Municipal Council should not have, therefore, applied these provisions to sanction the remission of a portion of the leased amount/ The remission in this case should have been got sanctioned by Government in accordance with Section 228 of the City Municipalities Act

The present proposal of the City Municipal Council (Resolution dated 25-11-1955) for the payment of compensation of Rs 500/- to the lessee for the removal of rank vegetation and some plantain suckers on the leased land by the Municipality, requires to be examined in the light of the following facts:

Instead of enforcing strictly the terms of the contract to recover the entire leased amount of Rs 7,500/-, heavy remission has already been given by the Municipal Council that too without obtaining the requisite sanction of Government It was irregular on the part of the Municipal Office to have interfered with the operation of the lease, before the expiry of its period or its termination otherwise The question of the payment of compensation in the above circumstances is, therefore, an administrative matter However,

Sir,

Subject - Grant of a relief of Rs 500/- to Sri N A Narayana Iyer, Lessee of the Plantain crops of the Municipal Farm for a period of three years from 1-1-1953

Towards the end of the year 1952, one plot of land in the Municipal Farm had been planted with about 5,000 plantain suckers It was decided that the crop may be disposed of after calling for tenders instead of managing it departmentally In response to the notification, two tenders were received, the highest being that of one Sri N A Narayana Iyer, for Rs 7500/- for a period of 3 years This was accepted by the Council and the tenderer put in possession of the crops on 1-1-1953 Before the close of the calendar year 1953, the lessee represented that he was not able to reap the expected benefit on account of the high acid content of the sewage water and as a result sustained considerable loss After examination of his representation and inspection of the area the Council waived recovery of one year's lease amount of Rs 2500 in their resolution No 1160/26-12-1953 The lessee then continued to realize what little he could get in the subsequent years and paid also the total amount of Rs 5,000/- towards the khist of two years But at the same time he left uncared for portions of the area where there was practically no plantain culture This resulted in the growth of rank vegetation Rank vegetation facilitated cockroach nuisance in the area, which is dangerous to the

cocoanut plants raised in between the plaintain suckers The lessee was sent for several times to keep the area clean so as to prevent destruction of the cocoanut plants But as he did not respond in time, the area containing rank vegetation was taken possession of all the weeds including old useless plantain suckers were removed About an extent of 3 acres so taken possession of was cultivated with vegetable crops and nearly a sum of Rs 3,000/- realized by the sale of the vegetables

The lessee represented that the action taken to clear the area resulted in considerable loss to him and in as much as he would have realised something by the disposal of plantain leaves and other materials if not the crops, and to a certain extent of the plantain crop itself

The question was examined by the Managing Committee at their meeting held on 12-11-1955 After considering all aspects of the case, they were of opinion that the Municipality realized considerable amount by the sale of vegetables in the area which had not been cleared by the petitioner and that if the area had been left to itself the lessee could have realized some income Accordingly they recommended grant of relief of Rs 500/- to the petitioner out of the realisation This was approved by the Council at their meeting held on 25-11-1955

I enclose a copy of the resolution and request that orders of Government may kindly be obtained sanctioning the above relief of Rs 500/-

5 This amount will be debited to the funds of the Municipal Farm under E 11 since the lease amounts have also been credited to its funds under C 14

Yours faithfully,

Subject Grant of a relief of Rs 500/- to Sri N A Narayana Iyer, Lessee of the plantain crops of the Municipal Farm for a period of 3 years from 1-1-1953

Ref L 246/C M 130-55-4 dated 5-4-1956 with records

With reference to the above, I write to state that as regards the provision of law under which the Municipal Council sanctioned reduction of Rs 2500/- out of the lease amount of Rs 7500/- accepted by the Council on 1-1-1953, Kind reference is invited to Byelaw 3 issued under Section 49(h) of the City Municipalities Act of 1933 (P 58 of the Municipal Byelaws), according to which Government have sanctioned the byelaw ~~expressing the~~ empowering the Municipal Council to sanction remission to any extent on the recommendation of the Managing Committee, when they are satisfied that the recovery of the amount proposed for remission would entail undue hardship on a poor man and in cases falling under section 81(3) of the Regulation

The second case namely grant of relief of Rs 500/- to the lessee amounts to a compensation for loss suffered by him by the act of the Council in having taken possession of 3 acres of land from the lessee prior to the termination of the lease although the action of the Council was motivated with the purpose of protecting the Municipal properties from

further likely damage The Council have also realised Rs 3,000 from the land so taken from the lessee The Council have sought the sanction of Government to the grant of relief of Rs 500/- out of the earnings credited to the Head C 14, as they feel that they have not been empowered to grant the relief intended as per the provisions of either the City Municipalities Act the Municipal Accounts Manual or the Bylaws

The facts of the case have been clearly explained for kind consideration of Government as per this office letter No C2 MR 248-C 602/55-56 dated 29-11-1955 and it is requested that early approval of Government may kindly be obtained to the proposals of the Council

Sir,

Subject:- Grant of a relief of Rs 500/- to Sri N A Narayana Iyer, Lessee of the Plantain crops of the Municipal Farm for a period of 3 years from 1-1-1953

With reference to the correspondence cited with your letter No C2 P F 228-C 602/55-56 dated 4th June 1956 on the above subject, I am directed to state that there is no case for further relief and that even the remission of a year's lease amount sanctioned by the Municipal Council was itself a concession which was not at all deserved

Yours faithfully,
